## About Me

I am Salih Topel Kaymakamoğlu, a Frontend Developer from Cyprus. I hold a degree in Software Engineering from Eastern Mediterranean University. With a strong passion for technology and a focus on front-end development, I specialize in creating visually appealing and user-friendly web interfaces. I stay updated with the latest front-end technologies and frameworks to deliver cutting-edge solutions. I have a problem-solving mindset and excel in collaborating with cross-functional teams to meet project requirements. I take pride in delivering projects on time with a strong attention to detail and a dedication to excellence.
